### Profile

Computer Science graduate with 2+ years of expertise in Full Stack Web Development. Proficient in latest Web technologies, I've successfully delivered 4 projects, focusing on creating responsive and user-friendly web applications that align with business goals. And I am eager to contribute my skills to drive innovation and growth within your team.

### Languages

- English (Fluent)
- Urdu (Native/Bilingual)

### Education

#### Computer Science

Sukkur IBA University

2020/09 – 2024/07 | Sukkur, Pakistan

I completed my Computer Science degree from one of the prestigious institutes in Pakistan on a fully funded scholarship from the OGDCL NTHP-19 program.
